Our main area for camp will be in the afterschool area, although we may also be on the back playground or computer lab.

- PARENTS, PLEASE CHECK YOUR EMAIL FOR OUR NEWSLETTER!
If you did not receive the email or could not open it, please let us know so we can make sure to either change or fix your email address, or have hard copies available for you. This newsletter will also be placed on our school web site.
- For the safety of our campers, we ask that the **parent walk the camper in** every morning and sign them in by writing the time in on the sign in/out sheet. When you pick your child up, write in the pick-up time and initial between the 2 times. Since the office is only open Monday-Wednesday 8-12 during the summer, there are times when we may be the only people on campus. Safety is our #1 priority and we appreciate your help with this sign in/out procedure.

Any questions? Just give us an email!
