Dear Friends,

We are proud to announce the 15th Annual Cathedral Parish School Golf Tournament. With this letter, Cathedral Parish School would like to ask your organization for support through a variety of sponsorship opportunities.

CPS is a privately funded school founded by the Sisters of St. Joseph in 1916. Currently, the school is responsible for providing a Catholic educating for approximately 275 students from VPK through 8th grade. CPS has the distinguished honor of being awarded with the National Blue Ribbon School of Excellence Award.

This year's tournament will be held at Marsh Creek Country Club and promises to be an exciting and day for golfers of all ages. All of the proceeds of this fundraising golf tournament go towards enhancing our student's education via school improvements and reducing faculty/staff administrative cost.

Attached are the sponsorship opportunities available for you to consider. It is through your generosity and support that we can make a difference in educating our young students. Your sponsorship will allow us to continue offering the highest level of academia to the CPS students.

If you have any questions or need further information, please feel free to contact us. We look forward to your organization joining us either as a sponsor and/or a player for a rewarding day of golf and lively fellowship.
