A Letter from Deacon Ott

After claiming both the girls' and boys' softball championships this week, CPS has now won the championship in every diocesan-sponsored sport this year, along with boys' flag football. Sports are great because they teach skills like hard work, dedication, teamwork, fair play, and sportsmanship that lead to success in life. May our student-athletes build on these remarkable successes and apply them to every area of their lives. We are very proud of them all!
